

**CARLO GIANNINI RESEARCH FELLOWSHIP IN ECONOMETRICS**  
*II Edition - 2009*

**1 – General**

The Centro Interuniversitario di Econometria (CIdE) and the Associazione Carlo Giannini (which acknowledge financial support from the Bank of Italy) award a Research Fellowship in Econometrics in memory of **Carlo Giannini**. It is aimed to young researchers of all nationalities who wish to undertake advanced research in econometrics in an Italian university. The competition is based on candidates' curriculum, research papers and publications, and a research project.

Terms and Conditions: (i) The fellowship is incompatible with any other income. (ii) Applicants must have achieved their Ph.D. after 30/9/2006 or about to complete their Ph.D. by the beginning of the fellowship. The winner must provide evidence of his Ph.D. certificate or of an equivalent doctoral degree. (iii) The research project can not be undertaken in the same university where the candidate achieved or is about to achieve his/her Ph.D. (iv) The Research Fellowship is incompatible with undergraduate teaching. However, the fellow may deliver a limited amount of graduate teaching, to be approved by the award committee. (v) The fellow must actively contribute to the research of the hosting Department/University, where (s)he is expected to spend most her/his time.

**2 – Application procedure**

The application and supporting documents must be sent to the address below by **January 15, 2010**. Late submissions will not be considered. Applications – with candidate's original signature – must be accompanied by the following documents:

1. curriculum vitae;
2. two photocopies of a valid identity document;
3. description of the candidate's research project (2/3 A4 pages);
4. at least two reference letters of academics who are well acquainted with the candidate's research;
5. documents showing past educational attainments (e.g., copies of Ph.D. certificate or, if the candidate has not yet obtained a Ph.D., documents reporting the grades achieved in the Ph.D. program exams);
6. at most three working papers/publications;
7. indication of the Italian university/department where the candidate wishes to spend the Fellowship;
8. a letter of the Director of the chosen department confirming to host the fellow indicating also the designed advisor, expert in the field.
9. the consent to the use of personal data for the purposes of this competition, along with the privacy protection provisions contained in the Italian legislative decree No.196 of 2003.

**3 - Award committee**

The award committee is composed of academics expert in econometrics. The CIdE designates 3 members; the Associazione Carlo Giannini designates 2 members. No appeal against the committee's decisions is allowed. The committee may invite candidates for an interview or a seminar. The fellowship will be awarded by **March 15, 2010**.

#### **4. Amount and tenure period**

The Fellowship starts on **October 1, 2010 and** entitles the winner to the payment of a yearly sum of **Euro 50,000**, gross of all taxes and social security contributions, The duration of the Fellowship is **two years**. Throughout the period of the fellowship, the Associazione Carlo Giannini may invite the fellow to illustrate the state of her/his research in seminars/workshops. It is also strongly advised to submit papers for possible presentation in internationally recognised conferences in the field.

By the 15th of September of first year, the winner must produce an annual report on the advances of her/his research, including the scientific evaluation by her/his local advisor (see Section 2.8). At the end of the first year, the Award Committee decides whether to renew the fellowship for a second year. At the end of the Fellowship's tenure, the winner must produce a final report.

The fellow is expected to acknowledge receipt of this funding in all papers prepared in connection with this research effort.
